THE BEAUTIFUL WORLD OF
FRANCHISEE
OPPORTUNITIES
IS WAITING FOR YOU

THE STRANDS STORY

Strands is the brainchild of the entrepreneurial vision of Naunihal Singh. It all started a decade back when Naunihal Singh, a hardcore marketing professional armed with 15+ years hands on experience of working with renowned beauty and cosmetic brands in the industry decided to become the game changer. He ventured in the franchise world as Strands Salon 'n' Spa. In a span of 10 years, Strands has grown as a brand and now is on the verge to take the big leap forward. With 60 salons in 14 states, under extensions called Lounge, Studio and Salon, Strands under the stewardship of Naunihal Singh has sight set on 500 salons by 2018. When an entrepreneurial mind bonds with a thinking heart success stories, talent unison and market leadership becomes more than buzzwords.

What separates Strands from the rest is the unique roster of enterprising franchisee models. Over the years, the magical duo of FOFO & FOCO have won many admirers and accolades. That's why in a decade Strands have rewritten the rule book of franchisee industry manifolds. Today beauty and wellness world is looked up as an enterprising profession. More and more entrepreneurs especially young women are taking the step ahead and joining the Strands army with sky high ambitions and solid pride.
